FREMST CIRCULAR.

Messrs Lamke and Rogge, in their week-

ly Freight Circular dated Oct. 12 state:—

Since the issue of our last Circular under

date of the 28th ultimo the freight market

has continued very firm in every direction

and the difficulties of obtaining tonnage

are as great as ever. Regular lines having

their hands full to supply tonnage for

offerings on the berth, and other owners

holding their tonnage for prompt and for-

ward delivery firmly, the market is in a

stronger position than it has been for years.

With every indication of rates further

advancing, and it looks as if the boom—if

nothing unforeseen up North happens—is

going to continue right throughout next

year. The rates owners asking has no

doubt caused some consternation amongst

charterers, and they, realizing that stiff

rates are going to be secured by owners

at next year, have taken up boats on time-

charter for a long term for prompt and

forward delivery. As will be seen from

the fixture list, quite a good busi-

ness has been done in time chartering

down South, and we hear that also up

North some fixtures have taken place with

substantial advances in rates, in one in-

stance a boat, even having been taken up

for a term of 3 years—which tends to

strengthen rates in all trades.

Saigon/Hongkong:—Regular boats are

now accepting small lots of paddy at 7

cents per picul. There is no demand for

Saigon rice here, and some of the boats

have abandoned their run for the present,

as they can easily find very profitable em-

ployment in other directions. Rice exports

during this season amount to total 490,239

tons compared with 508,673 tons same

period last year. Quotation stands for

October shipment \$6.55, per picul f.o.b.

against \$6.50, same time last year.

Saigon Philippines:—From enquiries

put on our market a couple of fixtures only

have resulted and in consequence of the

light offering of tonnage owners have been

able to push this rate up to 34 cents for

34,000 piculs as compared with 31 cents

for 30,000 piculs as paid only a fortnight

ago. It is reported that the Philippine

crops in most sections are flourishing, and

it is believed that this will be a banner

year if conditions continue favourable until

the first week in November.

Saigon/Java:—Nothing doing. Letter

advice from Rangoon state that about

15,000 tons were sold to Java early last

month.

Newchwang/Canton:—Only one fixture

was done during the fortnight on lumpsum

basis, the rate working out at 27 cents per

picul. Charterers having booked sufficient

tonnage for their requirements, prefer to

wait the arrival of the first new beans

before going in for fresh chartering.

Timechartering:—There was a good

demand for prompt, and also forward

delivery and fixtures have taken place at

good paying rates, details of which will be

found in the fixture list.

Coal Freight:—Tonnage was in good

demand this fortnight, but some Japanese

boats offering in the market, the rate from

Japan to Hongkong has slightly declined.

Fixtures Reported:—Moji/Hongkong

\$2.20/\$2.5 Yen 2.10, Wakamatsu/Swato

\$1.30/\$1.25, Wakamatsu/Amoy Yen 3.30.

Hongkong/Hongkong \$2.50, and Hongkong/

Swato \$2.50 per ton.

Homeward:—The well known coaster

Xow, s.s. "Solstad" has been withdrawn

from the coast, having been fixed for trade

between France and Eastern ports for a

period of 12 months.

RHEUMATIC WEATHER.

DON'T be surprised if you have an at-

tack of rheumatism this spring. Just

take the advice, take freely a jib, Cham-

berlain's Pain Balm and it will soon dis-

appear. Sold by all Chemists and Store-

keepers.

REVIEWS.

Messrs Hodder and Stoughton, Pub-

lishers, London.

"A CHANGE OF AIR."

In their Sevenpenny Series, this well-

known firm have recently added Anthony

Hop's "A Change of Air." It is a de-

lightful story, told with the author's

characteristic brilliancy. The volume forms

an important addition to this well-bound,

clearly printed and altogether excellent

series.

"OUT OF THE NIGHT."

To this series also, Mrs Dailie Reynolds's

fascinating story "Out of the Night" has

also been added. As lovers of good fiction

know, Mrs Reynolds tells a story exqui-

sitely, and to those who have not read

"Out of the Night" a great pleasure is in

store.

"WIRELESS TELEGRAPHY."

The same firm have also issued, as the

latest volume of their "Useful Knowledge

Series" a truly admirable, compact and

most instructive volume on "Wireless

Telegraphy" by Alfred T. Story. In these

days when one reads so much of the growing

utility of wireless telegraphy, it is abso-

lutely necessary that more than a superficial

knowledge of this remarkable invention

should be known, and in this neat little

volume Mr Story tells in a most interesting

manner and with a few technicalities as

possible, all that there is to be known of

the wonders of "wireless." This little book

will probably prove to be one of the most

popular of this instructive series.

A NEW BOOK BY OPPENHEIM.

To those who wish to keep themselves

up-to-date in good fiction, the announce-

ment of a new work by E. Phillips

Oppenheim is important. The volume in

question is entitled "The Lighted Way,"

and is a remarkably vivid narrative of how

a London clerk becomes involved in plots

and counter-plots of adventurers who move

in high society. The under-current of the

story is told in the author's characteristic

manner and makes the work one of his

most attractive. It also published by

Messrs Hodder and Stoughton.

Messrs Williams and Norgate, Publishers,

London.

MISSIONS: THEIR RISE AND DEVELOPMENT.

This is the title of the latest addition to

the "Home University Library" of Messrs

Williams and Norgate. It is specially writ-

ten by Mrs Creighton, a lady well-qualified

to write on this important subject. In this

compact volume of some 250 pages, the rise

and development of all sorts of missionary

activity is told ably, succinctly and

pleasingly. It is a volume that will

appeal to all intelligent people whether

especially interested in mission work or not,

or whether sympathetic or the reverse with

such work. Particularly interesting to us

are the chapters on mission work in

China, of which there is much useful in-

formation. We cordially recommend the

volume, which is uniform with the other

works of the series in binding, printing

SCOTTISH LETTER.

EDINBURGH, Sept. 17.
MID-LOTHIAN.

Major J. A. Hope, the new member for Mid-Lothian, was born in 1869, served in the King's Royal Rifles, and is now attached to the Reserve of Officers. He is married to the Hon. Mary Bruce, eldest daughter of Lord Balfour of Burleigh, and is the nephew and heir of Sir Alexander Hope, Bart. of Pinkie, Musselburgh. The grandfather of Major Hope represented Mid-Lothian in Parliament from 1845 to 1853.

Mid-Lothian now finds itself represented by a Unionist for the first time since the Gladstonian campaign of 1880, when the Earl of Dalkeith, the Conservative member, was defeated. Mr. Gladstone continued member for Mid-Lothian until 1905, when he was succeeded by the present Lord Carmichael. In addition to the late member, Lord Murray (the Master of Elibank), Lord Dalmeny (son of Lord Rosebery) also represented the Metropolitan County.

THE RETURN OF THE LEWIS FISHERMEN.

The ten fishermen of Port of Ness, Lewis, of whose adventure I wrote last week, have returned to their homes, much astonished to hear of the anxiety which their absence occasioned. It will be remembered that they sailed for the island of Sullister on August 10, and as there had been a great storm, and no news received, they were given up for lost. A public subscription was actually started for the relief of the 10 "widows" and 22 "orphans." The fishermen say that they neither saw nor heard the gunboat Phoenix which had been sent to their assistance. The story of the gunboat, they say, may have been founded, but as the rock of Sullister is tunneled through in several places (one fisherman said the islet is set upon five pillars like a table) the men of the sea in the tunnels is sometimes deluding. The fishermen have not a little of the fatalist in their character. One of them was asked "And will you go to Sullister next year, Murdoch?" "Who knows?" he replied; "I don't know whether I'll be alive or not next year. I ran many a bigger risk than this before, and how do I know what end is appointed for me?" Possibly they would all answer after the same fashion. The important thing meantime is that death was not "appointed" for them this time and that their presence in Ness today has made many homes happy once more.

SCOTLAND AND DENMARK.

The Anglo-Scandinavian Society have just spent a holiday and they report that they were received with a hospitality which was impressive and at times overwhelming. The visitors disappointed the Danes, however, because they did not come with Scots caps and skirts and naked legs, with plaids of different colours, and with the goshawk bags. But at an evening reception one of the party had the courage to appear in full Highland costume, and this is how one of the newspapers, the "Politikon," described the scene: "A crowd of people followed, at more or less distance, the Scottish guests. But all their interest was concentrated in one of the society who actually wore a skirt! He is a slender, elegant young gentleman, and had his marmalade costume above the usual absolutely irreproachable evening dress—coat, waistcoat, and white tie. But below, a short skirt of dark green stained stuff, with naked knees and legs, short socks, and black patent shoes. To all this he wore a scarf and a big, long-haired bag. This combination is considered."

considered the very finest of gala dresses but not everybody may wear it. It is reserved for the real, genuine old Highland clan families to which the gentleman belongs. His profession now is a brewer!"

EVOLUTION OF TWEED CLOTH.

The manufacture of tweed cloth is a very important industry on the Scottish Border, the woollen fabric, of course, takes its name from the principal river of the district. Sir Walter Scott, is recorded one of the first patrons of the material; he wore a pair of trousers of the black and white 'cheek' known as 'shepherd's tartan.' Lord Brougham also wore breeches of the same pattern, as all students of the earlier volumes of Punch are aware. Last week Mr. Thomas Welsh, of Hawick, read an interesting account of the evolution of the tweed to the members of the Textile Institute Congress. He said that the subdued checks now worn were introduced by an accident. It happened that a manufacturer of sheepskins' plaid tartan made a number of pieces in which the white was so dirty looking that they could not be sold. Some one suggested that if the pieces were dyed brown the defect would be covered. The result was a check of black, green, and blue broken checks; these for colours were collected from granite, porphyry, and Jasper found in the river Garry and the Pass of Killiecrankie. And then there came the heather mixtures, which were first asked for by some gentlemen of the rod and gun, who wanted colours which resembled the moorlands and river banks.

SHIPPING.

The twin-screw mail and passenger steamer Neoralia, was launched by Messrs. Barclay, Curle and Co., Whiteinch, for the B.L.S.N. Co. She is 8,550 tons gross, and is intended for service between London and the East.

The P. and O. Co. have ordered two steamers of the "N" class from Messrs. Caird and Co., Greenock. The vessels are to be 14,100 ton twin-screw steamers of nearly 9,000 tons gross. At the present time, there are about eight P. and O. ships building on the Clyde.

BUSINESS MOVES IN DENMARK.

A strenuous effort will be made to prevent the removal of the Globe Inn, Dumfries to the United States. Sir James Crichton-Browne says it would be a tragedy to permit the tavern to be removed to New York or Chicago and built up there as a variety show. And Provost Thomson proposes to raise a fund for the purchase of Burns' House, and states that he has already received many private promises of support.

PHONETIC SPELLING.

At the British Association, Dundee, Sir James Donaldson, Principal of St. Andrew's University, gave expression to some novel views on the subject of the spelling of English words. Everybody, he said, should be allowed to spell as he liked. He believed that if our spelling was phonetic we would get hold of the Chinese nation, they would all come to read English; but with the present mode of spelling there was no chance of foreign nations learning our language easily.

TOBACCONARY TREASURY SEARCH. The Tobacconary Treasury search has concluded for the present year, and upon a confident note, for a further lease of two years is arranged between the Duke of Argyll and Colonel Mackenzie Foss. One day this month witnessed a remarkable "bag"—280 articles, including cannon balls, bullets, pottery, and wine bottles. The main object of the salvage staff was the raising of the hull of the Florinda with a view to reconstruction, but the time available was too short, and the shareholders must be content with deferred dividends.

NEW YORK POLICE
SCANDAL.

REMARKABLE DISCLOSURES.

(Reuter's Service to the China Mail.)

LONDON, Oct. 14.

Reuter's correspondent at New York telegraphs that the trial of Lieut. Becker of the New York police, on a charge of complicity in the murder of the gambler Rosenthal, Rose, Becker's alleged agent and graft collector, in giving evidence said that Becker insisted on having Rosenthal murdered. At his instruction Rose saw Zelig, who was then in prison, and arranged that some of his gang should do the job. Becker promising them immunity as far as the police were concerned, and threatening to arrest them on trumped-up charges if they refused. Rose described the arrangements and circumstances of the murder in great detail.

THE BALKANS' OUT-
BREAK.

FIGHTING STILL PROCEEDING.

(Reuter's Service to the China Mail.)

LONDON, October 14.

Reuter's correspondent at Constantinople telegraphs that it is not believed that the replies of Turkey and the Confederacy to the Powers will affect the situation, and that the struggle will continue as regarded as inevitable.

SERVIA'S REPLY.

A telegram from Belgrade, says that the Serbian Government's reply to the Anglo-Russian Note was presented last night. The Government regrets its inability to comply with the desire of the Powers, as the Note does not contain a sufficient guarantee for the execution of the proposed reforms. A copy is appended of a Note handed to the Turkish Minister an hour earlier demanding reforms in Macedonia in the spirit of Article 23 of the Berlin Treaty, under the control of the Powers and the Balkan States, and as a pledge of assent Serbia asks for immediate demobilisation.

A telegram from Athens says the Greek Note to Turkey was handed to the Turkish Legation last night.

A Sofia telegram says Bulgaria's reply to the Powers was presented last night.

TURKEY'S REPLY.

The Daily Chronicle correspondent at Constantinople states that the Government's reply to the Powers has been drafted. It reiterates Turkey's readiness to apply reforms, but declines to give guarantees which are inconsistent with national dignity. It hints that it cannot pay attention to internal affairs while the sword is pointed at its throat. This is tantamount to a rejection of foreign interference.

MONTENEGRINS CHECKED.

The Montenegrins are encountering much resistance, and are losing heavily.

Their advance on the west side of Lake Scutari was checked, but fighting is still proceeding around Tuzi and Kraina, and is visible from Scutari. The Montenegrins burned Kraina, and several children perished in the flames.

HEAVY LOSSES.

The preliminary skirmishing is taxing the Montenegrins heavily.

Already 370 wounded men have been removed to the hospital at Podgoritz, and more are constantly arriving.

GERMANY'S OFFER.

The German Ambassador has offered part of the German Embassy for a hospital in the event of war.

A DESPERATE ENGAGEMENT.

Reuter's Podgoritz correspondent in a despatch states that General Nikovitch occupied a hill near Gusinje yesterday.

The Turks resisted desperately. There were heavy losses. Afterwards the Montenegrins captured two positions commanding Gusinje. They have four machine guns, many rifles and a quantity of ammunition.

AUSTRIA-HUNGARY'S POLICY.

Reuter's Vienna correspondent telegraphs that it is announced that no military action by the Confederacy in San Yak and Novibazar will induce Austria-Hungary to interfere until the termination of hostilities. The Monarchy will then act as is necessary for the protection of its interests in the Balkans.

TURKEY AND THE REFORMS.

Reuter's Constantinople correspondent further telegraphs that Turkey in her reply to the Embassies states that in her efforts to carry out reforms she has so far been impeded by all kinds of obstacles and outrages. Nevertheless the Government has persevered and have decided to apply the Vilayets Law directly sanctioned by the Chamber and the Sultan, but Turkey was not yet able to admit the hearing of Article 23 of the Berlin Treaty as to the present situation.

THE CRETAN UNREST.

GREECE AND THE CRETANS.

(Reuter's Service to the China Mail.)

LONDON, Oct. 15.

Reuter's Athens correspondent states that the Cretans received a vociferous welcome from the Chamber. The Premier declared that the Government accepted the vote of the Cretan Assembly in favour of union with Greece, and henceforth there would be only one Chamber for Greece and Crete. Greece was ready to face all dangers and was confident of victory.

STOCK EXCHANGE.

The Stock Exchange has a more dignified tone, but there is still acute uneasiness. Consol touched 72½. A re-assuring factor, however, is that Continental Bourses have regained some equilibrium.

CRETANS DEFEY THE POWERS.

The Cretan deputies, profiting by the war situation, are defying the Powers and have entered the Greek Chamber.

TURKS SURPRISE SERVANS.

The Turks surprised the Servians around Ristovatz. The Servians rallied hastily and succeeded in repulsing the enemy. Fighting continues over ten miles of the frontier.

GREECE DEMANDS HER
SHIPS.

Reuter's Athens correspondent states that the Government has instructed the Grecian Minister at Constantinople to demand the release of the Greek ships and an indemnity to the owners within twenty-four hours.

MONTENEGRO'S CASUALTIES.

So far the Montenegrin casualties are 256 killed and 500 wounded.

TURKEY'S REPLY TO THE
POWERS.

LATER.
Reuter's Constantinople correspondent telegraphs that the reply of the Porte to the Embassies was handed to the Austrian Ambassador this morning. While thanking him for the friendly interest he had taken in the situation in the interests of peace the Note states that the Porte is determined to carry out the reforms but cannot tolerate any foreign interference.

TURKS ATTACK THE
SERVANS.

A telegram from Belgrade states that it is officially announced that the Turks crossed the frontier near Ristovatz at 5 o'clock this morning and attacked the Servians.

THE BALKAN STATES'
DEMANDS.

LATER.
The Notes from the Balkan States to Turkey demand autonomy for Macedonia on the Belgian or Swiss Governor General principle, with elective Provincial Councils, the creation of gendarmerie, militia and free education.

THE CONFEDERATE STATES AND
THE POWERS.

The Notes presented to the Austro-Hungarian, the Russian and the Turkish representatives at Athens and Sofia are identical with those sent to Belgrade.

The Notes to Turkey specify the reforms demanded, and in great detail remind Turkey of her undertaking to introduce these reforms within six months.

The Note to the Powers thanks the latter for their interest, but after recalling the numerous promises of Turkey recorded in international documents says that the "Allied States are anxious to obtain more definite results than hitherto, and have decided to address Turkey direct."

NO OPIUM IN CHAMBERLAIN'S
COUGH REMEDY.

THERE is not a particle of opium or other narcotic in Chamberlain's Cough Remedy, and never has been since it was first offered to the public. It is as safe a medicine for a child as for an adult. For sale by all Chemists and Storekeepers.

ATTEMPT ON MR ROOSE-
VELT'S LIFE.

(Reuter's Service to the China Mail.)

LONDON, Oct. 15.

Reuter's Milwaukee correspondent telegraphs that Mr Roosevelt, while proceeding to address a meeting, was shot at.

Great difficulty was experienced in restraining the crowd from lynching the assailant, whom the police seized. Mr Roosevelt asked that the man should be brought before him, and then inquired why he had fired.

The man did not reply.
Mr. Roosevelt addressed the meeting.

LATEST FROM THE
BALKANS.

(Reuter's Service to the China Mail.)

LONDON, Oct. 15.

Tuzi has been surrendered to the Montenegrins, who captured many guns, 7000 rifles and six Turkish regular battalions.

THE ATTEMPT ON MR
ROOSEVELT'S LIFE.

(Reuter's Service to the China Mail.)

LONDON, Oct. 15.

A telegram from Milwaukee states that a Socialist fired at Mr Roosevelt in the street near his hotel.

Mr Roosevelt was unhurt.

A VICTORY FOR THE
MONTENEGRINS.TURKISH OFFICER RAISES
THE "WHITE FLAG."

(Reuter's Service to the China Mail.)

LONDON, Oct. 15.

A telegram from Podgoritz states that while the Montenegrins at noon were preparing to storm the town, a Turkish officer with a white flag appeared and unconditionally surrendered. "Then" (the telegram continues) "a deputation of burghers from Tuzi came to Danilo, begging mercy and pardon." The Montenegrins made a triumphal entry in the afternoon and were welcomed with jubilation by the Christian Malisovci inhabitants.

The booty included many horses, 800 tents, and 10 days' food supplies.

CANTON POLICE INSPECTOR
STABBED.

We learn from Canton that about 8 p.m. on Sunday, Yau Ting, an Inspector of No. 1 Police Station at Canton, was on duty at Ki Ming Yang, when he was assailed and stabbed with a knife.

The wounded Inspector was taken to the station and was attended by a Doctor of the Red Cross Society. The Inspector got two cuts in the head of a not very serious nature. This incident probably gave rise to the rumour that the Commissioner of Police at Canton had been murdered.

STREET THIEVING.

Before Mr C. D. Melbourne at the Police Court to-day a man, who said he had only been in the Colony a month, was charged with snatching a gold bangle from a child walking with her mother in Queen's Road. The magistrate, remarking that this was a very serious offence, sentenced the accused to six weeks' hard labour, four hours' stocks in lieu of one day, and twelve strokes of the birch.

ALLEGED OBSTRUCTION.

Mr Kemp, Crown Solicitor, prosecuted the proprietor of 222 Queen's Road at the Magistrate's Court this afternoon, before Mr Melbourne, for causing an obstruction in Fat Fu Lane by making enclosures without permission from the Government. Mr Davidson, of Messrs Hastings and Hastings defended, and argued for the defendant that the land was his and he could do as he wished with it so long as he left a gateway to the houses. The case was proceeding when we went to press.

There is a dispute between the coffee makers of Canton and the Canton Chief of Police, and as a consequence the coffee makers have "struck" and have refused to make coffee. Dead people are being buried in improvised box-coffins, and in some cases, poor people have had to dispense with boxes and bury their dead in waiting shrouds.
